

The Women's Outreach Committee (WOC) of SAA is hosting a series of teleconference calls designed to invite conversation on the topic: **“Women in the Fellowship: What’s working; What’s not working.”**

We invite all interested SAA members, of all genders, to join us in this open forum. Share experience, strength, and hope. Hear what other groups have done to welcome women and encourage their full participation. Ask questions.

Two WOC members will be present on each call, simply as facilitators. The calls are free-standing; you may call in to one or more. No preparation is required. Just an open mind and a willingness to engage with others on this topic.

In an effort to accommodate the varied schedules and time zones of SAA members, the meetings will be held on different days and at different times. (All times Central.)
