

Back to the Basics of Recovery Zoom Workshop

Join us on Saturday, May 23, 2020 from
9:00am - 3:00 pm PDT for a Back to Basics
workshop using the zoom format.

Back to the Basics of Recovery

How to take the Twelve Steps
"quickly and often"

*using a modern, gender neutral version of the 1949's
Beginners' Meeting format modified for "anyone and
everyone interested in a spiritual way of life."*

Wally P.

Join us during this time of physical distancing and experience an online workshop that will allow members to take the twelve steps of recovery in much the same way as those early AA members did. We will hold four sessions with breaks and lunch between each session.

This event is open to all SAA members. During sessions two and three, you will have a chance to share with a trusted partner in the program, so invite your sponsor. We would like to invite others willing to sponsor for the day.

Please connect to <http://saatalk.info> or pugetsoundsaa.org before the meeting to download handouts. The Zoom meeting will begin at 9:00am and you can link or call in to the meeting using the information below:
