## A Special Note about Safety

From the Women's Outreach Committee:

As a newcomer in SAA, please be aware that this is an individual 12-step program with no governing authority except our Higher Power. This is a group of sex addicts. If any person you encounter within our fellowship tries to behave sexually with you, this is inappropriate. You may end the conversation/relationship immediately. Our 5th tradition states that our primary purpose is to carry the message of recovery to the sex addict who still suffers. Exploiting a new member is not in keeping with our Traditions and is inappropriate. This behavior, commonly referred to as "13th stepping," is rare but unfortunately does happen.

Here are some suggestions some of us have found helpful for discerning and preventing "13th stepping."

1. Have a wide range of support. Reach out to several people for support, not just one or two people. If something doesn't feel right, question it. Do not hesitate to turn to another sober member for support if necessary.
2. Some groups have found it helpful to assign two temporary sponsors to each newcomer, that way the newcomer is never alone with another member.
3. Read our literature on Safe and Sober Meetings. Do not spend one-on-one time or have phone calls with people in SAA to whom you are attracted or have expressed an attraction to you.

Above all, sobriety is the goal. Honor yourself by surrounding yourself with people who support your recovery

## New SAA meeting: "We Are Priceless"

"We Are Priceless" is a safe space where former sex workers, and current sex workers who are seeking to leave the industry, can heal together. For the purposes of the group, Sex work is defined as, but not limited to anyone who traded sexual behavior for money, goods, notoriety, services, etc. for any amount of time, including once. The group was born from a discussion between a few former sex workers and an ally, who were talking about how to share in SAA meetings, especially mixed meetings, about their experiences with selling sex without triggering other sex addicts. So this meeting was created where people of all genders, with a common history of trading for sex, along with trusted allies, can work their recovery together, and create a safe place to share. For safety, interested members are requested to email [saa.xsw@gmail.com](mailto:saa.xsw@gmail.com) for more info, and in order to be accepted to join the meeting. We would [...] set up a conference call with two representatives of the meeting to share stories and give the access information, [...] with anyone who inquires about the meeting. Meeting guidelines ask that participants focus on the solution, and that has largely been the case. While there is a common history of selling for sex, and people have shared issues common to ex workers (such as financial issues and finding employment), it's usually an incredibly safe and uplifting meeting.

(Note: When the group was formed, the Group Conscience was to allow safe, selected allies as well as sex workers.)
