

Back to Basics of Recovery

Saturday, January 8, 2022

Zoom Workshop
9:00 am - 3:00 pm PST

Open to all "S" Recovery Fellowships

Join others on this day to explore the 12 steps of recovery as practiced by those early AA members. During the workshop we will walk through all 12 steps in one day. New members are welcomed as are those looking to repeat or renew their steps. If you have a sponsor, considering inviting them as your sharing partner.

This event is open to all "S" recovery fellowships. The scripts are modern, gender neutral versions of the 1940's Beginners' Meeting. We will hold four sessions with breaks, lunch and time to share with another person. This person may be your sponsor or someone you connect with at the workshop.

Prior to the workshop, please connect to <http://saatalk.info> or pugetsoundsaa.org and download the handouts that we'll use. We will ask that your return to these sites a few days before the workshop to get the Zoom link.
